

Polarized Source

- (2) – Beam line
- (1) – NEG tube
- (2) – Spin flipper

Chopper

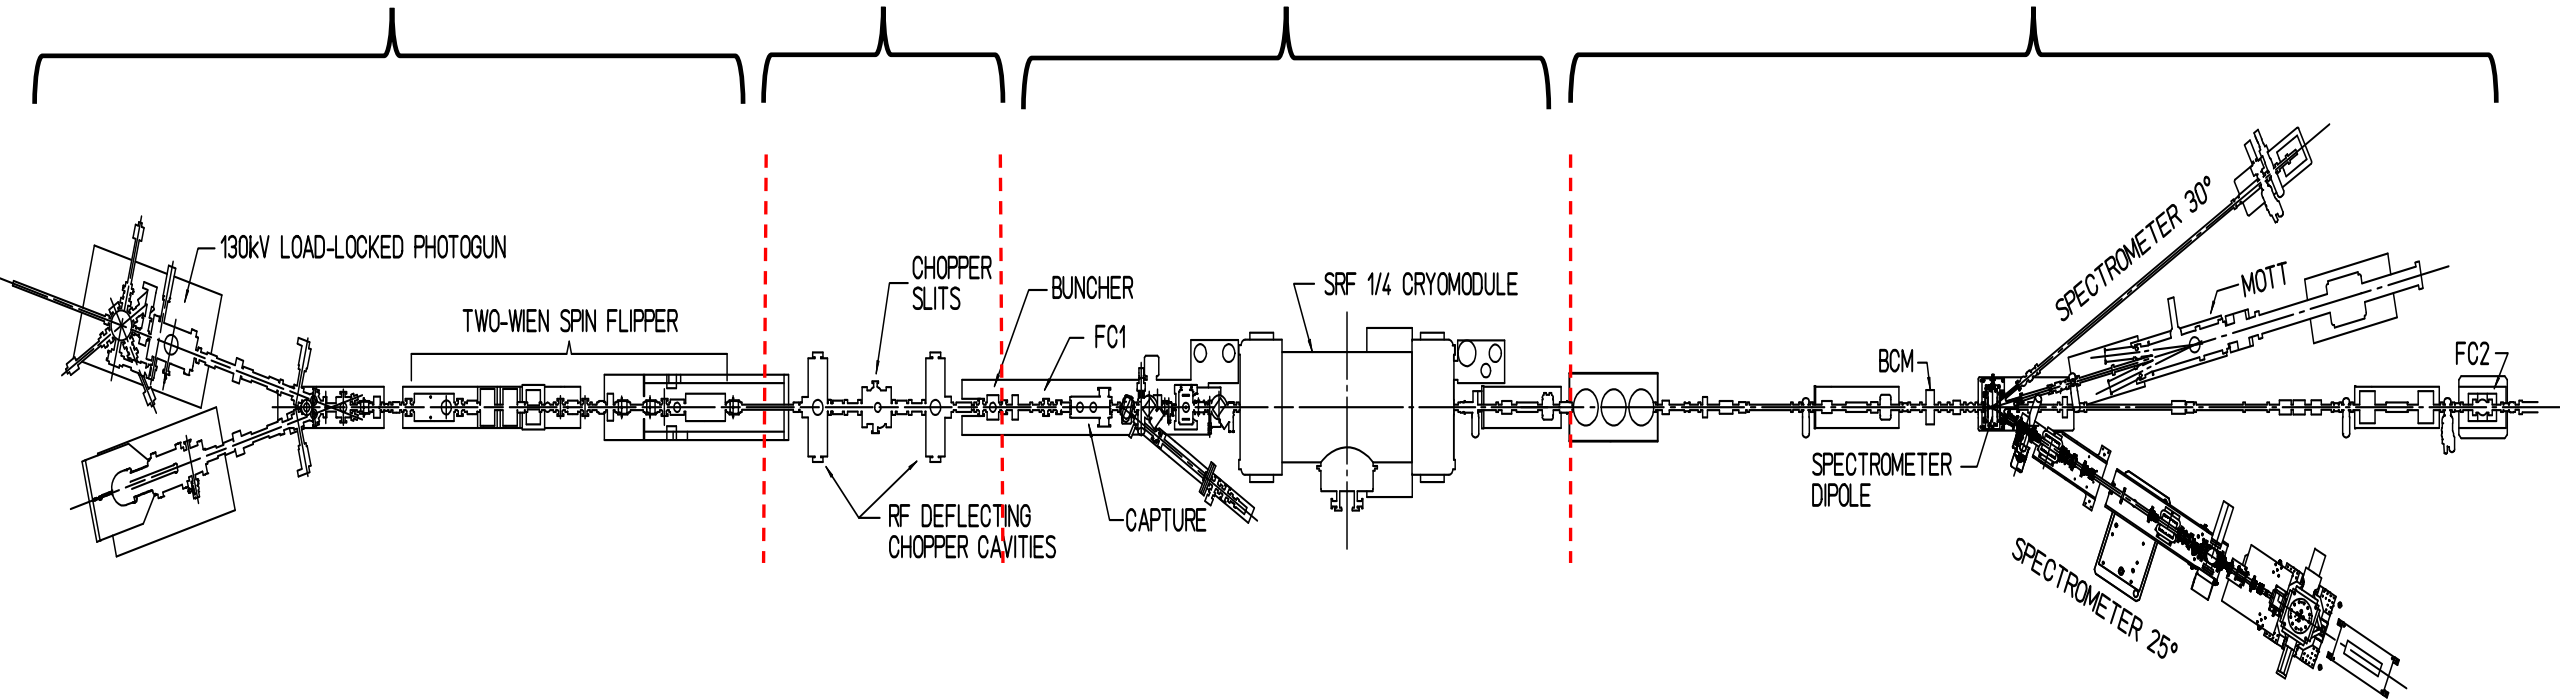

- (2) – Chop cavities
- (2) – Chop chamber

Booster

- (2) – Beam line

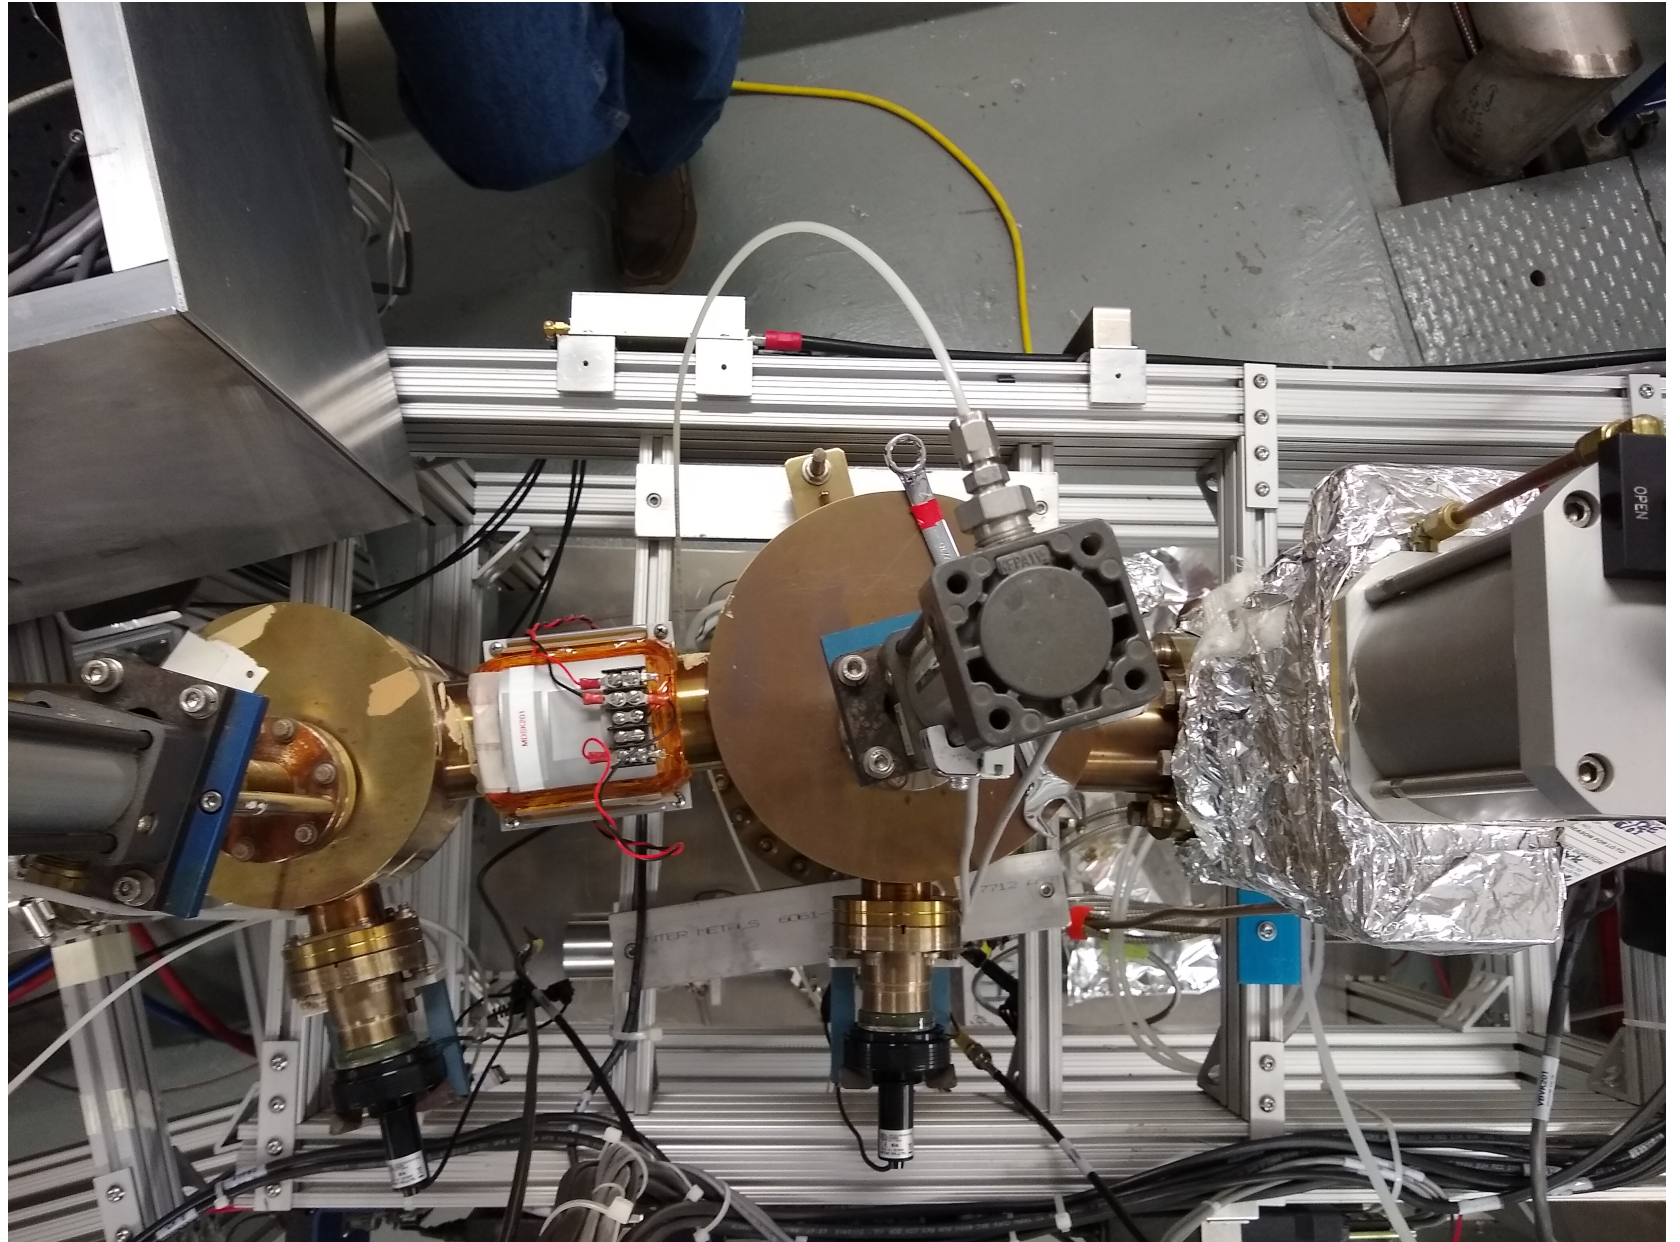

MeV

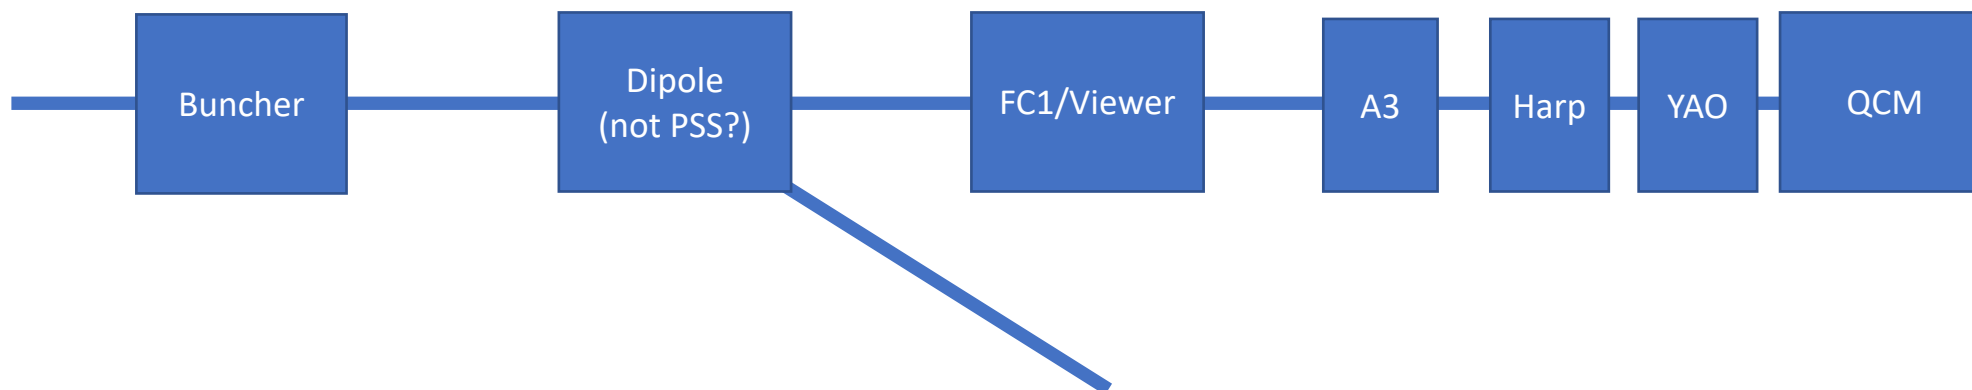

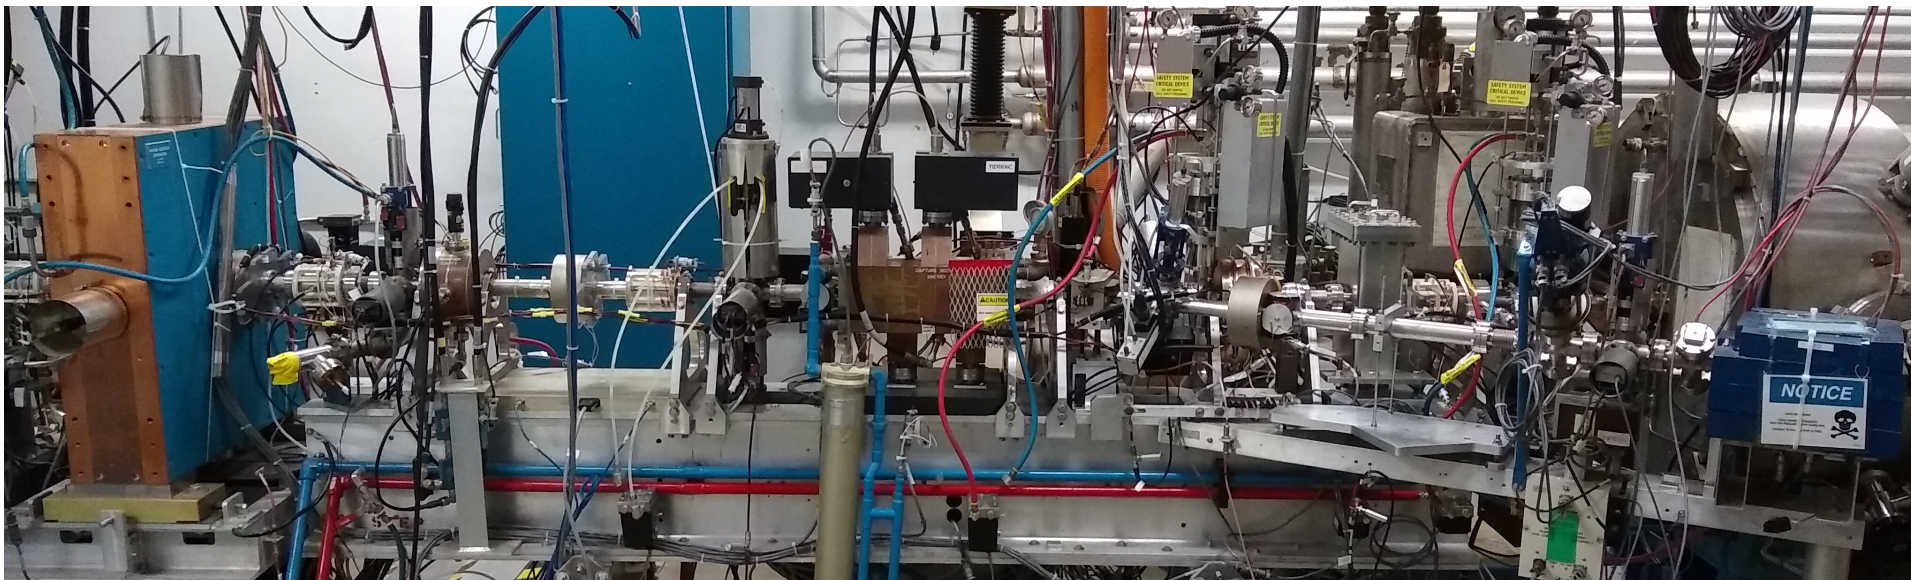

- (7) - Beam line

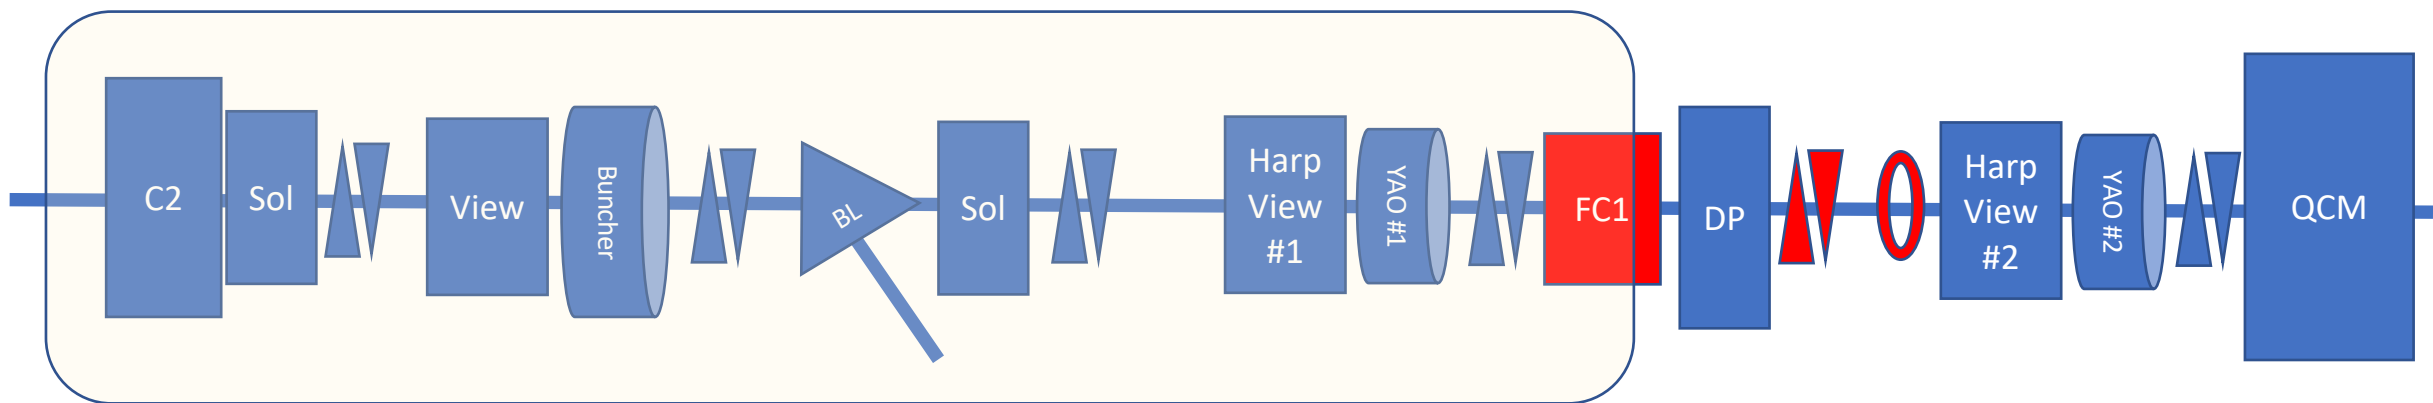

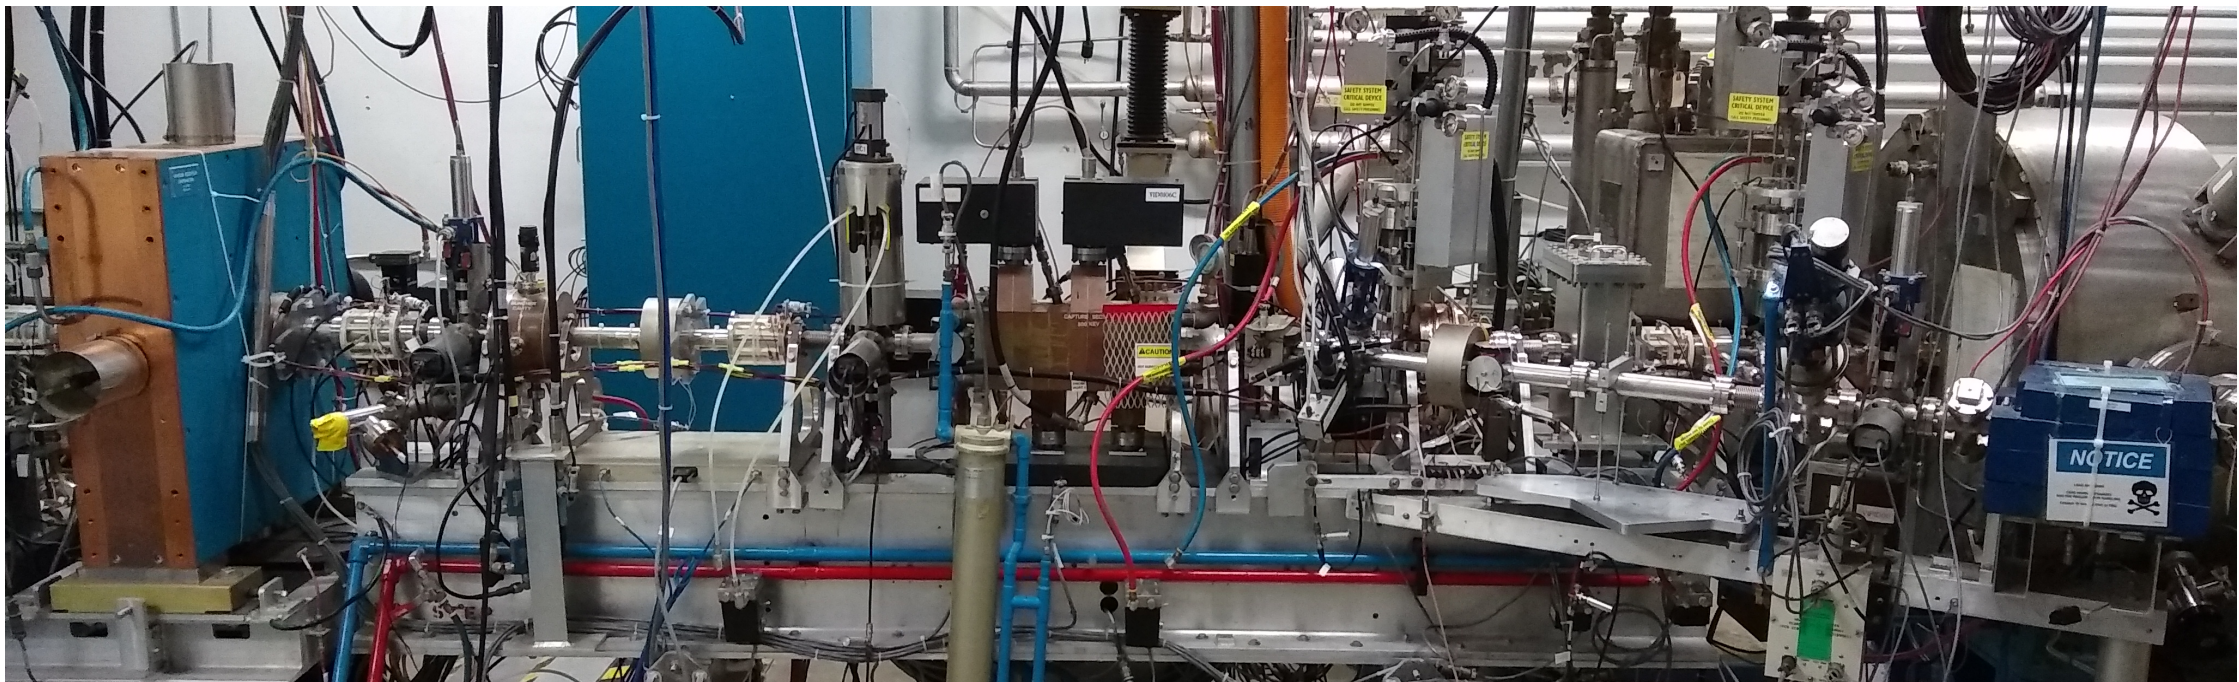

New "Y" chamber

- Laser + "Y" is one chamber
- Dipole has two 7.5 deg bends
- Port for "straight" laser

Compatibility

- Overall footprint
- Cryolines
- Waveguides
