

# Temperature controlled dark box

# Light yield (position dependence)

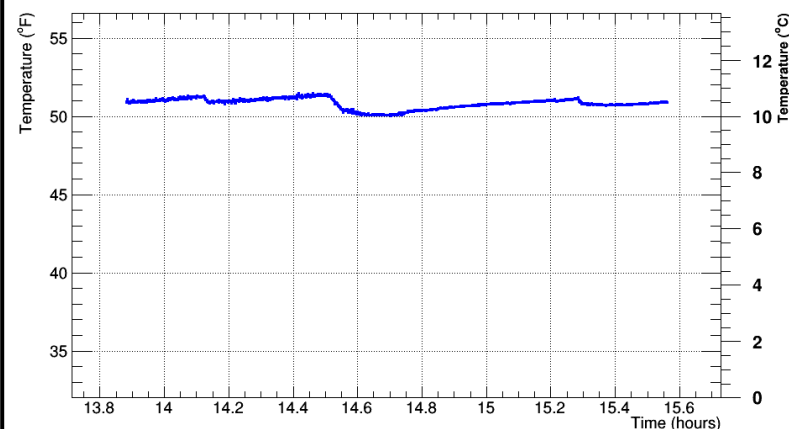

BTCP's crystals

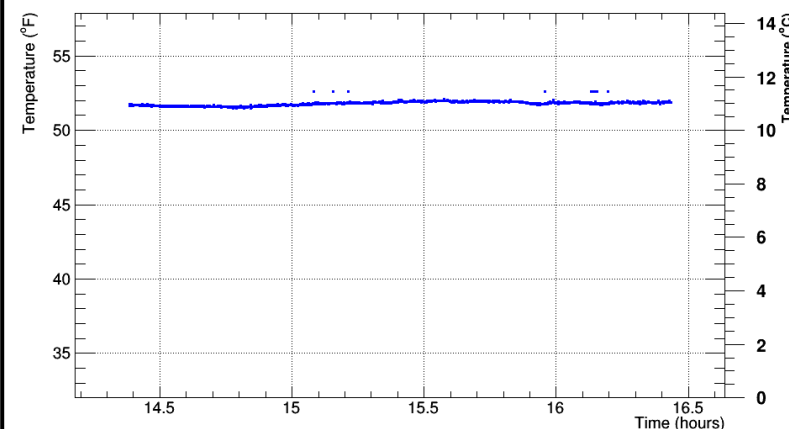

BTCP crystals from Dr. Rainer  
(unknown quality level)

Temperature log  
during measurements

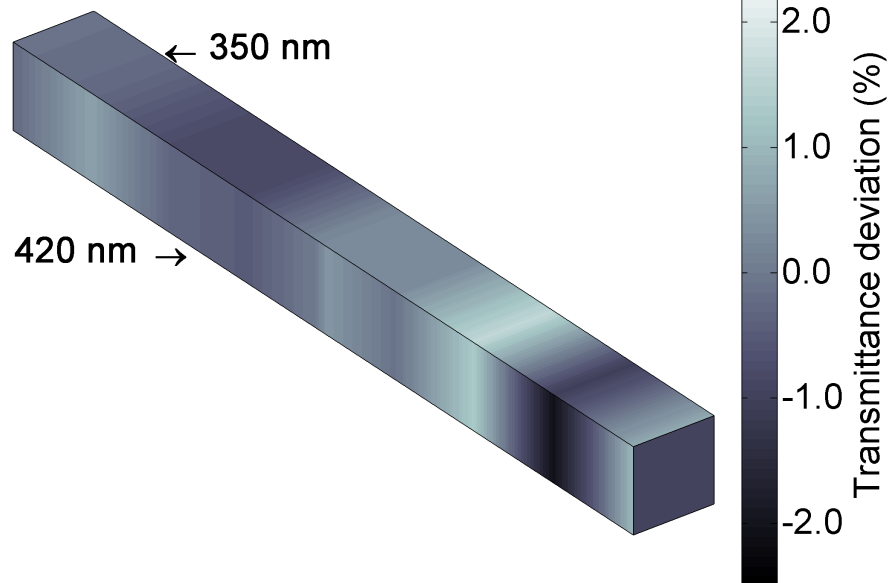

2015/08/07 - 13:52:49 to 15:33:37

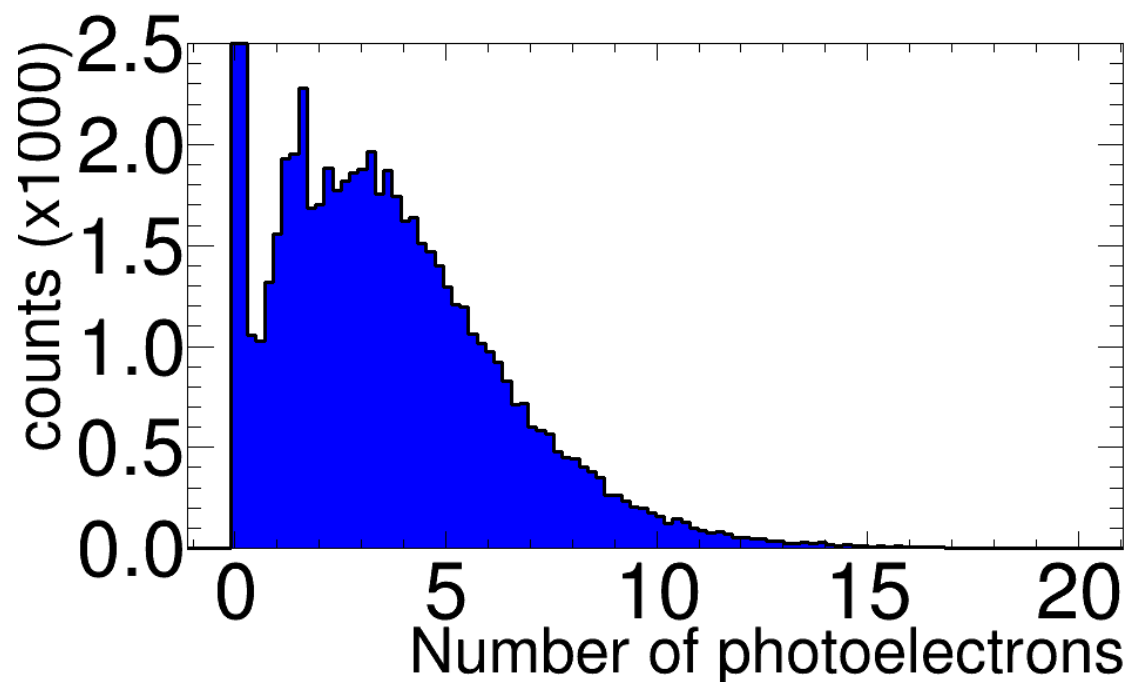

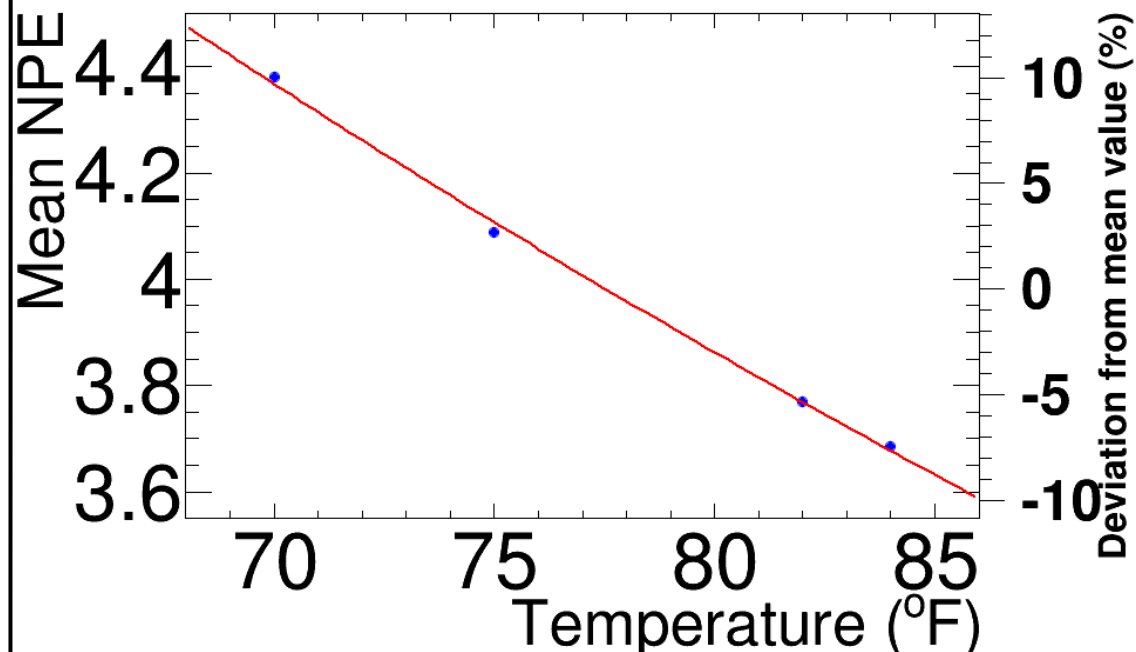

2015/08/11 - 14:23:00 to 16:26:00

### Transverse transmittance

### Temperature dependence of light yield

→ Typical ADC spectrum for light yield measurement using Na-22 source
