

# Readiness Review Process – Flow Chart

- Submitting Proposals
- TAC & PAC Process
- Director's Decision

- Exp. Description and Requirements
- Exp. Readiness Review Calendar

- PESAD, specific equipment reviews
- Complete Conceptual Designs & "1st" Readiness Review

- Fabrication of the equipment
- Test of the individual elements of the equipment (OSP/TOSP)

- Construction near-completed, designs frozen
- "2nd" Readiness Review before scheduling request submission

"Final" readiness review
